

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Summer Road Trip 2

THIS WEEK'S LESSON: GRAND CANYON

IN THE CAR:

Ask your child what they learned about this week on the drive home:

When you stand on the edge of the canyon, you marvel at the thought of what it would take to get to the other side. When the Israelites reached the Red Sea, they saw no way across, but God showed them his amazing power to save. Exodus 14:5-29, The Red Sea

HANGING OUT:

Make this week's lesson real:

Tell your kids about some of the "miracles" of technology that have happened in your life, like the development of smart phones, wi-fi, etc, things that were once science fiction at least or impossible at most. Ask your kids if they think God can do impossible things in their lives.

AT DINNER:

Here are some great discussion starters:

- How did God save the Israelites from Pharaoh at the Red Sea?
- Do you think God still does miracles?
- Is there something in your life right now where you need God's power?

AT BEDTIME:

Quiz your child on this week's memory verse:

"Into your hands I commit my very life. Lord, set me free. You are my faithful God."
Psalm 31:5 (NirV)

PARENT TIME:

What you need to know:

What impossible situations are you facing at work, at home, in your personal life? Give them to God, and ask God to show you his awesome power. God is still doing miracles, and when we are faithful to him, he will save us.
