

MAKE IT STICK

5 Simple Ways You Can Make This Lesson Stick With your Kids

Summer Road Trip 7

THIS WEEK'S LESSON: TOURIST TRAPS

IN THE CAR:

Ask your child what they learned about this week on the drive home: Usually tourist traps don't live up to the hype and they just distract us from getting to our vacation destination. When the Israelites lost their faith in God, they built a huge golden calf to worship, forgetting that only our God is the one true God. Exodus 32:1-26, The Golden Calf

HANGING OUT:

Make this week's lesson real: Have you ever visited any tourist traps? Share those stories with your kids, especially if you have photos. Ask them how tourist traps are like following false gods.

AT DINNER:

Here are some great discussion starters:

- Why do you think the Israelites made the golden calf?
- What are some false gods that people follow?
- How can we avoid following false gods?

AT BEDTIME:

Quiz your child on this week's memory verse:

"Into your hands I commit my very life. Lord, set me free. You are my faithful God."
Psalm 31:5 (NirV)

PARENT TIME:

What you need to know:

It's not easy to keep our focus on God. So many things compete for our attention, like tourist traps on the way to our vacation destination. Ask God to help you and your children keep Him first so you can avoid the lure of false gods.
