

# MAKE IT STICK

## 5 Simple Ways You Can Make This Lesson Stick With Your Kids

### THIS WEEK'S LESSON: LOVE MOM AND DAD

Use these four common times in a preschooler's day to reinforce this week's lesson:

#### **DRIVING:**

Today we talked about God's command to honor our parents. Ask your kids why God wants us to honor our parents. What are some ways they can honor you right now or today?

#### **PLAYING:**

Use Little People figures, or similar, and do a role-playing game with your kids. Have your child be the Mom or Dad, and you be the kids. Show your child some ways to honor not just parents, but all adults

#### **EATING:**

During meal time, share a fun story from your childhood, something that made you appreciate one of your parents.

#### **SNUGGLING:**

Tell your children that you love them, and let them know you will always be there, no matter what! Think of one way that your children showed you love today, and tell them thank you.
